No.2997 of 1948.

Mamladar's Office,
Maindargi, 9th Sept. 1948.

Subject:- Construction of all weather roads in merged states.

To

The Deputy Engineer,
Sholapur Sub-Division,
Sholapur.

Sir,

With reference to your letter No.7788 of 1948 dated the 6th Sept. 1948, on the above subject, I have to submit the information called for in your letter as under :- (1) There are no matalled roads in this Taluka. The roads are fair weather roads running black soil.

(2) The following roads require to be metalled for facility of administration and traffic:-

(1) Dudhani -Maindargi Road; (ii) Maindargi Umarga Road; (iii) Maindargi Boroti Station Road.

Length of the Roads is (i) 9 miles; (ii) 4½ miles (iii) 5 miles.

(3) There are no bridges on any of the roads. The roads (i) and (ii) require three bridges. One on the river Bori and two on the two nallas. The Road (iii) requires one large bridges on the River Bori.

A contract to spread boulders and hard murum on the Dudhani-Maindargi Road is given to one Mr.Y.B.Badmanji; and has been continued under my supervision as per orders of the Kurundwad Junior State. I see no objection to hand over the charge of the superivision of this work to any of your officials as per your No.7789 of 1948 of the same date. But I would like to request you to refer to Government of Bombay's Circular Memorandum No.9738, dated 23rd July 1948, where-in it has been specifically stated that the Maindargi Taluka has been placed under the supervision of the Executive Engineer, Belgaum Division.

Your most obedient servant,

Sd/- x x x
Mamlatdar, Maindargi.

Copy with Rs.to (1) the Additional Administrator, Akalkot.
(2) the Executive Engineer, Belgaum Dn., Belgaum, with request to make necessary arrangements for the supervision of the work as per Govt's orders.

***

Belgaum,
Date, 25th December 1948.

To

The Superintending Engineer,
Public Works Department,
Belgaum.

Sir,

I, the undersigned Yellappa Bhujangappa Badmanji, Contractor beg to apply as under :-

2. I have accepted the work of constructing the Maindargi Dudhani road in the Maindargi Taluka of the now merged Kurundwad Jr. State. The orders accepting my tender were passed by the then Rajasaheb and, on payment of necessary advance and completion of the agreement, I was asked to start work. Accordingly I started work and a major portion thereof is nearing completion.

3. Maindargi is near Akkalkot and as such is under the administration of the Collector of Sholapur as Chief Administrator. For all practical purposes, therefore, Maindargi Taluka is being treated as part of the Sholapur District.

4. When I started work the Rajasaheb ordered that the work should be done under the supervision of the Mamlatdar, Taluka Maindargi. The State, however merged soon after I started work and the same arrangement of supervision was confirmed even after merger; the final supervision, however, resting with the P.W.D. of the Sholapur District. The Deputy Engineer and the Superintending Engineer, Sholapur, accordingly inspected the work in the months of September and October 1948 respectively and expressed their approval and satisfaction.

5. I have now to carry boulders and "Murum" from the quarries which are at a distance. Transport of these huge quantities by bullock carts, besides being very slow, is very costly and I have therefore, engaged a motor truck to facilitate the work. I then applied to the Superintending Engineer, Sholapur, for petrol coupons and personally requested him to grant my request at a very early date.

6. That Officer, however, told me that my request cannot be granted by him, unless your honour recommends the grant because the Bombay Government have ordered that all requisitions in connection with this road-work are to be considered by the Officers of the Belgaum P.W.D. He has, further, directed me to approach your honour in this connection and I am, therefore, doing so personally.

7. It is, therefore, earnestly requested that the Superintending Engineer, Sholapur may kindly be requested to issue necessary petrol coupons to me at a very early date. I will convince the Sholapur P.W.D. authorities of the actual quantity of petrol required. I have engaged a large number of coolies for the work and great loss is sure to result if they are not given sufficient work. It is, therefore, very earnestly prayed that this matter may kindly be given the earlist attention possible.

Address.
P.O.Maindargi.
Dist:Sholapur.

Most obedient servant,

According to item 14 of the above G.C.M. and also item 14 of statement 'B' accompanying the G.R. referred to above, the state P.W.D. works in the whole of the Kurandwad ( Junior) State have been allotted to the Belgaum Division.

The State P.W.D- works in this area have not, therefore, been taken over by the Executive Engineer Belgaum Division. For the reasons stated in his letter within, the S.E., S.C., requests that the portion of the Kurundwad Jr. State (Mindargi Taluka) which ~~his~~ lies east of Akalkot may be transfered from the Jurisdiction of the Belgaum Dn. to that of the Sholapur Divn. This is in accordance with the original proposals of Mr. N.V.S.Murti, It seems to have been overlooked in this office while ~~wining~~ issuing the detailed allocation orders. In accordance with the proposed re-organisation of the Rev. Distts. due to the ~~major~~ merger of the states, the ~~Mindargi~~ Mavidargi Taluka of the Kurundwad (Jr.) state is included in the Sholapur ~~State~~ Distt. No.G-108. Public Works Department,
Belgaum, 21st January 1949.

Subject:- Merged Deccan States in the Province of Bombay. Arrangements for extension of departmental administration of works in the area of.

Reference:- G.R.(P.W.D.) No.9304/36, dated the 29th September 1948.

According to entry (9)(a) of the statement ( B' accompanying the above G.R. the P.W.D.works in the 7 villages of Ramdurg State are required to be looked after by the Executive Engineer, Dharwar P.W.D. Division.

2. The Executive Engineer, Dharwar Division, however, reports that these villages lie outside the Dharwar Division and that they have not been taken over by him.

3. The matter was, therefore, referred to the Executive Engineer, Belgaum Division who reports that there are no important P.W.D.works in these 7 villages except chavadi buildings and they are in-charge of and maintained by the Revenue Department, but the expenditure on C.R. to these buildings has been charged to P.W.D. during the current year. The Executive Engineer, Belgaum has suggested to transfer these seven villages to the Belgaum Division pending transfer of the Chavadi buildings, Dharma-shalas etc. in the State areas concerned to the D.L.B etc.

4. I am, therefore, asking the Executive Engineer, Belgaum Division to take over the P.W.D. works in these villages in anticipation of Government approval to their transfer from Dharwar Division to Belgaum Division. This may kindly be approved.

5. A sketch map showing the area ( 1 village and main area of Ramdurg) already taken over by the Executive Engineer, Belgaum Division and the area of the 7 villages now proposed to be allotted to the Belgaum Division, is attached herewith for perusal.

In his letter within the S.E.,S.C., states that he is asking the Ex.Engr., Belgaum Divn., in anticipation of Govt. approval, to take over the administration of the public works in the 7 villages of the Ramdurg State, which were allocated, in G.R.No.9304/36, dated the 29-9-1948, to the Ex.Engr., Dharwar Divn., for departmental administration. The villages refd. to are those sidelined in red at page 103 of G.N.,P.&S.D., No.2755/46, dated the 5-1-1949. They are situated in areas either jutting in the Dharwar District or near its border. There are no important public works in them. The allocation was made in accordance with the recommendations of the S.E.on Special Duty (Mr.N.V.S. Murti). In accordance with the proposed new Revenue set up also the villages in question come under the Dharwar District. The sketch forwarded by the S.E.,S.C., does not show clearly the boundaries of the Dharwar and Belgaum Divns. In the absence of this information it is not possible to state whether there is any justification for the transfer of the villages to the Belgaum Divn.

2. In the circumstances, perhaps, in the first instance, the S.E. may be requested to mark clearly the boundaries of the two Divisions in the sketch submitted by him as per draft put up.

Subject: Merged Deccan States in the Province of Bombay. Arrangements for extension of departmental administration of works in the area of ---

Reference: G.L. No.9304/36-E(I) of 20-4-49.

The correct allocation of the seven villages in question is as given below

DHARWAR DIVISION

(1) Asoli
(2) Somanhatti

BIJAPUR DIVISION

(3) Hebbal
(4) Kallapur
(5) Menasgi
(6) Hodli
(7) Surkod

As regards Hebbal it is on the other side of the Tupari nalla and therefore falls within the jurisdiction of the Executive Engineer, Bijapur Division. The correct boundary between the two Divisions has now been shown on the Blue print.

2. All the seven villages under reference lie in the Ramdurg State. Since the whole of the Ramdurg state with its works was formed into a separate Sub-Division and transferred to the Executive Engineer, Belgaum Division and as there were no important P.W.D. works in these villages except chavadies it was proposed to entrust all these villages along with its parent state to the Belgaum Division.

3. If Government agrees to the allocation of these villages as now detailed above necessary orders for their transfer to the respective Divisions may kindly be issued at an early date.

4. The sketch map is herewith resubmitted.
